

March 30, 1984

LB 372, 372A

for an amendment? All those in favor vote aye, opposed nay. Have you all voted? We are voting to return the bill. Record, Mr. Clerk.

CLERK: 28 ayes, 0 nays on the motion to return the bill, Mr. President.

SPEAKER NICHOL: The bill is returned. Senator Vard Johnson.

SENATOR V. JOHNSON: Mr. Speaker, members of the body, in light of Senator Warner's clause what I really should have put on the bill was a sunrise amendment which would have had the bill take effect December 31, 1988. On the other hand, it is important I suppose that inasmuch as one is now compelled to vote for a bill because it carries an amendment that is significant to one's community, that one at least do the best possible to make a silk purse out of a tattered sow's ear. I would ask support for the sunset clause.

SPEAKER NICHOL: Senator Kilgarin, your light is on. Okay, your light is off. The question is the adoption of the Vard Johnson amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays on adoption of the amendment.

SPEAKER NICHOL: The amendment is adopted. Senator Vard Johnson.

SENATOR V. JOHNSON: I would move that the bill be returned to E & R final.

SPEAKER NICHOL: The motion is to readvance the bill. All those in favor say aye. Opposed nay. It is advanced. Anything else on the bill? Oh, we have a motion on the A bill. (LB 372A.)

CLERK: Mr. President, Senator Landis would move to return the A bill for a specific amendment. (Landis amendment appears on page 2153 of the Legislative Journal.)
